RE: Remedial Investigation/Feasibility Study Work Plan – LDEQ Comments
SBA Shipyard Superfund Site; AI Number 1478
9040 Castex landing Road
Jennings, Jefferson Davis Parish, LA

Dear Mr. Torres,

The Louisiana Department of Environmental Quality-Remediation Division (LDEQ-RS) has completed its review of the Remedial Investigation Feasibility Study Work Plan for the SBA Shipyard Superfund Site in Jennings, Jefferson Davis Parish, Louisiana (AI:1478), prepared for the SBA Shipyard PRP Group by EHS Support as amended on May 17, 2018. Thank you for this information. After a thorough technical review, LDEQ concurs with the amended work plan, and finds that EHS has satisfied the concerns of the Department. Upon your authority and direction they may proceed with the implementation stage at the appropriate time. Please notify this department ten (10) working days prior to any field work on site.

All future correspondence from the PRP group must include the **AI number** and be submitted in triplicate to:

Percy V. Harris, Administrator
Remediation Services Division
P.O. Box 4314
Baton Rouge, LA 70821-4314

If you have any questions, please feel free to contact met via email at tommy.doran@la.gov or by phone at (225)219-3019.

Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Hugh T. Doran, Jr.".

Hugh "Tommy" Doran, Jr., Environmental Scientist 3
Remediation Division

RE: Amended Remedial Investigation (RI) Work Plan
SBA Shipyard Superfund Site
Jennings, Louisiana

Dear Ms. Hess:

Range
The U.S. Environmental Protection Agency (EPA) is in receipt of the subject document dated May 17, 2018. The EPA acknowledges that all commentaries contained in EPA Comment Letter (February 9, 2018) and from the EPA/LDEQ/SBA PRP Group Technical Meeting held at Louisiana Department of Environmental Quality (LDEQ) Headquarters in Baton Rouge (March 22, 2018) have been adequately addressed. This letter is to inform you that the subject document is approved. In addition, the LDEQ has also reviewed the subject document and concurs (Attachment 1) on the amended work plan. Therefore, you may proceed to implement proposed RI field activities scheduled to begin on September 25, 2018.

If you have any questions regarding this letter please do not hesitate to call me at 214-665-2108 or by email at torres.michael@epa.gov. You may also contact Mr. Tommy Doran of LDEQ at 225-219-3019 or via email at tommy.doran@la.gov with any questions.

Sincerely

Michael Torres
